Webinar: ICD 10 for Coders and Clinical Staff – Part 1

Friday February 14, 2014

9AM Pacific—10AM Mountain—11AM Central—Noon Eastern

Description:

In this session we'll look closely at the coding of services using ICD-10 codes and we'll begin to focus on documentation improvement. For those of you with a clinical perspective, you'll hear a few details that may not seem relevant, but stay with us – by the end of this presentation you will understand more fully how you can improve both patient care and your hospital's overall performance by simply tweaking your notes.

Topics include:

- Getting oriented to the new language of ICD-10
- Learning to build a code

Speaker: Paula Digby, Principal ACQ Compliance
